

Making advertising transactional

INDUSTRY RECOGNITION

SOME OF OUR CLIENTS

What to expect

- Transactional advertising
- First party data injected into selected CRM
- Behavioural data via a dashboard
- Insight into your media performance and expenditure

Considerations

- Playrcart don't purchase media
- Playrcart don't create assets
- Playrcart cannot control the media performance (hence our insights)
- If you require a specific retailer, an introduction is our proposed route forward

Research shows online shoppers want an improved online experience

Strong US & UK consumer appeal

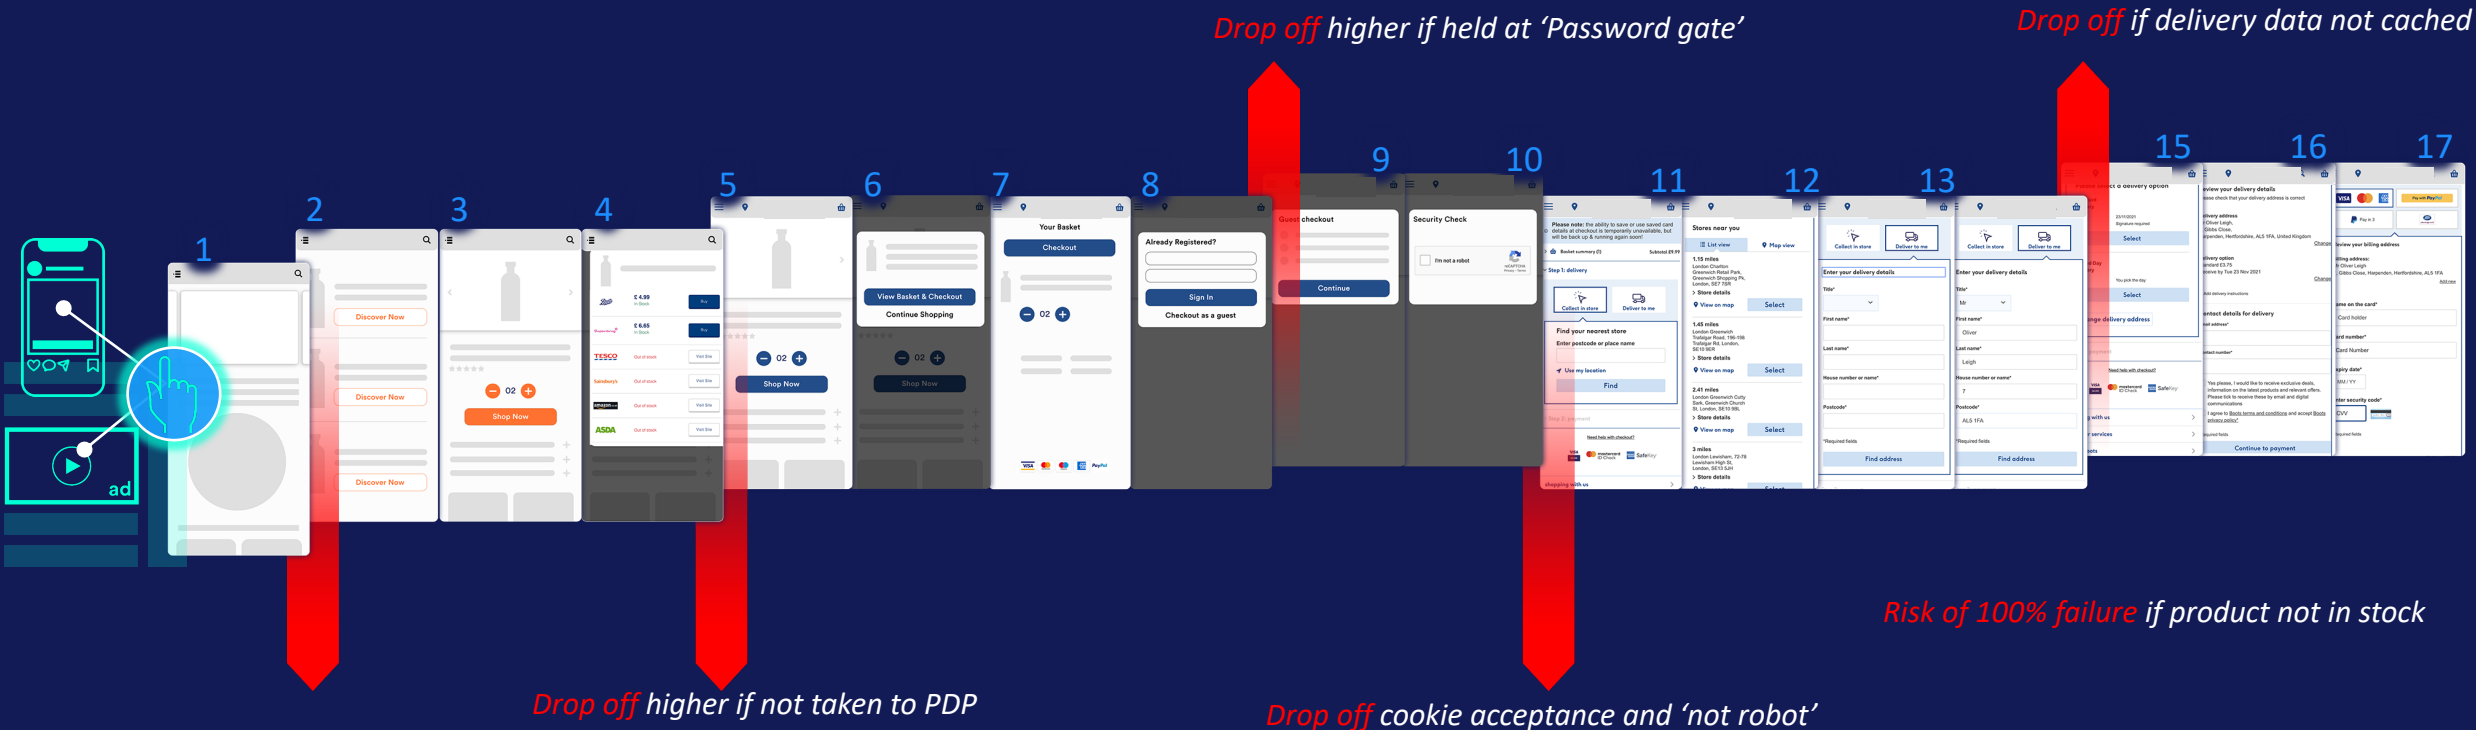

“When shopping online I don’t like having to go through **lots** of screens”

“When shopping online I don’t like to be taken to **different** pages, windows or sites.”

A common 'click through' user experience (UX)... also known as “17 reasons not to buy”

1.84% average CTR of
online video ads

Current UX = 1.2%* conversion rate

*based upon an industry average

0.02% of people who are
exposed to the ad, end up
making a purchase (1.2% of
the 1.84%)

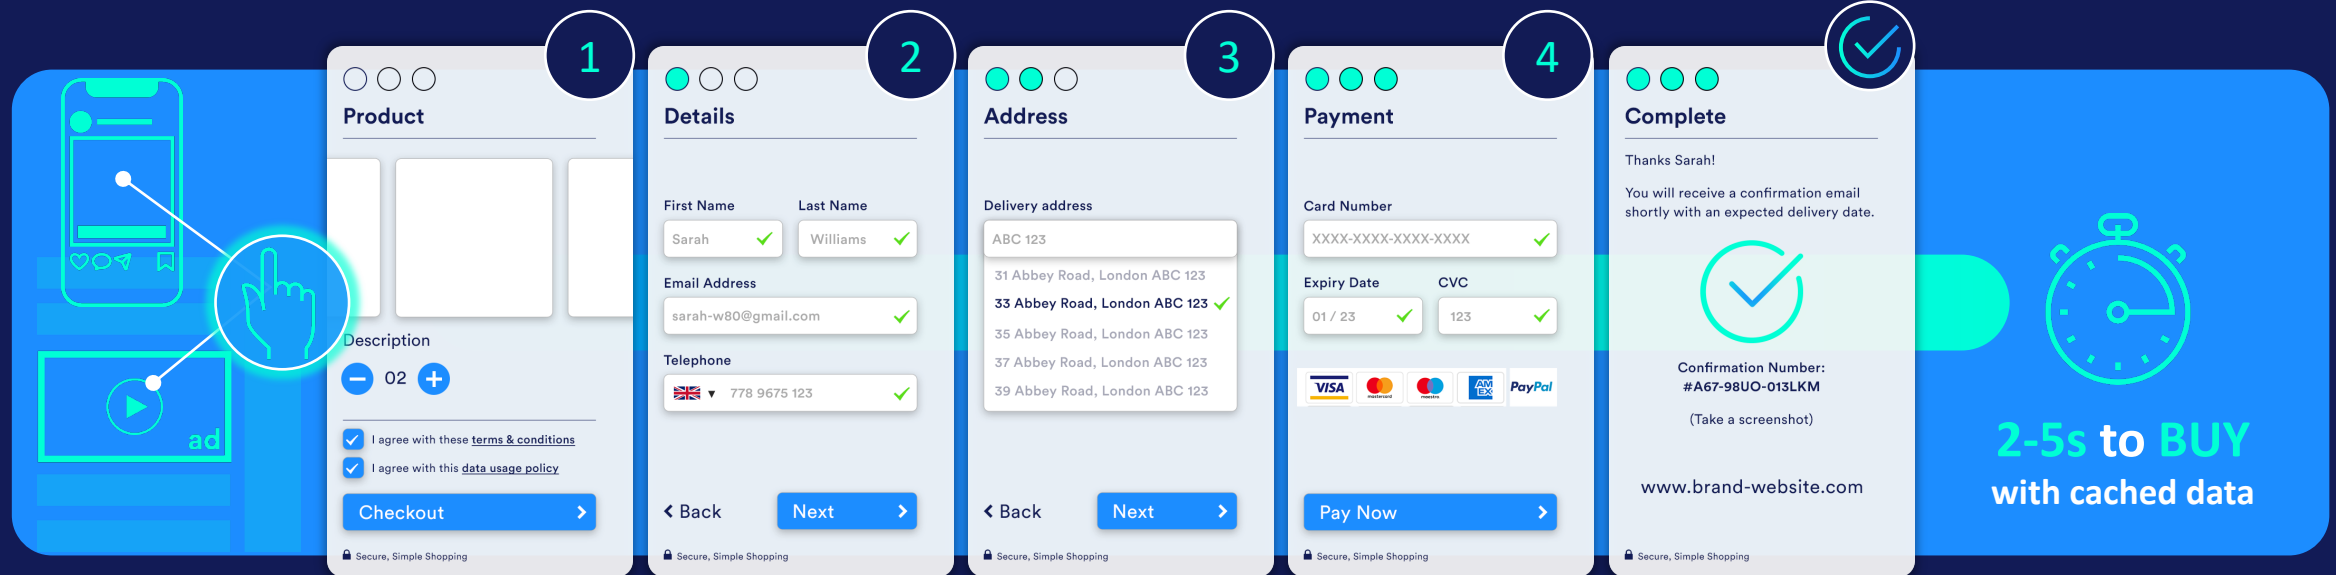

Playcart UX reduces friction and delivers a full transaction in 4 simple steps!
